

Articles

Patrick M. Elsen

Updated 2021-01-19

These are some of the articles I've written.

2020

- [Installing Apple San Francisco Fonts on Linux.](#)

2018

- [Fresh system](#): Setting up a new macOS installation and what software I use.
- [Tracing in Linux and macOS](#): Using strace, ltrace and dtrace on Linux and macOS to trace syscalls and library calls of programs.

2017

- [Fish Riddle](#): Solving a fish riddle with mathematics.
